

Help Out on State Natural Areas

Whitewater Oak Opening Workday

Get outside and take care of Whitewater Oak Opening SNA.

Help volunteers during our monthly Southern Kettle Moraine SNA workdays on the second Saturday. Protect some majestic oaks in the process. We will spray, cut and pile brush at a couple different sites including two remnant hill prairies. Buckthorn can spread and shade out savanna plants at this site. Bring a bag lunch to eat afterwards. No skills needed you will be trained onsite.
